

## **Instructor Development Course**

This 16-hour course is designed to enhance the training skills of in-house trainers in participating STC departments. The purpose is to respond to agencies that are using in-house instructors to provide more of their agency's training.

This interactive course will engage trainees and cover the principles of adult learning, learning styles, developing courses objectives, outlines, lesson plans and choosing appropriate instructional methodologies. Presentation skills and classroom management issues will also be covered.

Please contact Field Representative Wayne Landberg @ (916) 323-6152 or [wayne.landberg@cdcr.ca.gov](mailto:wayne.landberg@cdcr.ca.gov) for further information.
